

TELEFONFABRIKEN

PRESENTS

WONDERS & EXPRESSIONS

A NORDIC ART COLLABORATION

ABOUT THE EXHIBITION

Can artists let go of their work, and tolerate it to find another form in the hands of another artist? And how will it end up? The exhibition is a nordic collaboration between Glad Fonden in Denmark, Inuti in Sweden and Setlementii Tampere in Finland. The artworks have been sent around between artists in the three countries, like batons.

VERNISSAGE: 3 april

Kl. 13.00 - 18.00

Kl. 13.30 Opening

Drop in workshop

OPENING HOURS:
